Five-minute podcast rehearsal

Use your own script. Start a timer at the first word and keep it running through pauses.

Audience _____

Opening question _____

Central claim _____

Source and page or section _____

Plan the recording

Write a line or a cue for each section. Record the elapsed time when you finish it.

Section	Spoken line or cue	Target end	Actual end
Opening question		**0:30**	
Context and claim		**1:10**	
Evidence and source credit		**2:30**	
Worked example		**3:40**	
Limit and pause		**4:30**	
Answer and close		**5:00**	

Revise and record again

First take total _____ **Second take total** _____

Name one edit you can hear. Which line will you cut, tighten or slow down?
